Pale blue the canals

Yellow the high grass

White are the tips
of wheat

White our people's hearts

Fondly we love
our Negdel.

Hero of Labour our leader

White our people's hearts

Departing, they carry
happiness home.

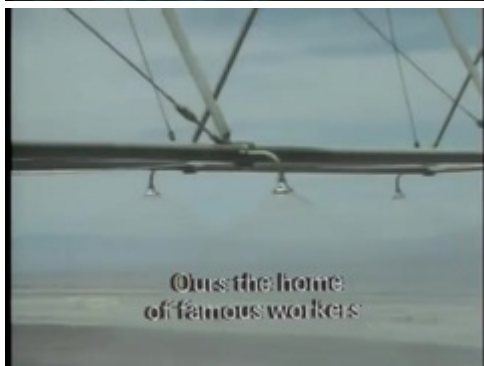

Creation lies within man
Completion is his plan.

Guide its flow and force.

Freedom Negdel has won

Once the home
of famous workers

Glory cling to
our Negdel's name.

Many the names
that echo fame.
