

This is 'Tseenim' root
We collect it in autumn when the juice...

goes to the root. We give it to the animals when their hooves are weak

This is 'Yumdujen'
We give it to cattle and sheep

We usually give it to animals after they have given birth, if some of the placenta

...and give it to them 'Yumdujen'

- There isn't much tree mushroom
- Just a little...

- Open the mouth
- Put the spoon well down the throat

- Open the mouth
- Put the spoon well down the throat
