... "you should go to school", but he'd say "I'm too embarrassed to go"

Well, he'll continue to raise our good herd...

Well, he'll continue to raise our good herd...

and we'll help him to start his own family as if he is one of our own.

and we'll help him to start his own family as if he is one of our own.

We, and our sons, wouldn't abandon him and will continue to support him...

We set up a small home for him and his mother and plan to make it larger.

Will Saikhanaa still live here then?

Yes, yes he will. He's been living with us from a young age...

In a blue valley the nurses are alert...

My wise father's words are jewels...
